IMPORTANT INFORMATION

Please note that we do not recommend any cleaning products as most of them contain chemicals that could react with the cement causing damage.

All products are made from naturally occurred material and are supplied on the basis that due to weather efflorescence and site conditions the colour and shade may vary with time due to seasonal manufacture. No two pieces of concrete should ever look identical this generally is considered to enhance the natural stone effect.

General weathering cannot be guaranteed and we do not give any warranty on our products. Please check your product before laying as we are unable to remove and replace any paving when laid.

We will not except any slabs back that are surplus to your requirements.

Our policy is one of continuous improvement and development, so we reserve the right to add or remove from the range or to change the design without notice

Ownership of goods supplied does not pass to the purchaser until our invoice is paid in full. In the event of them being used/sold Pinnegar and Barnes reserve the right to claim any outstanding amounts in full. All sizes, description and dimensions are nominal and are without liability.
